Dear Sir/s,

I am directed to enclose an Order and to state that this Order is intended to provide legal cover for the action so far taken by you under instructions of Government in refusing connections to 'sanctioned' loads - vide Government Letter No. 1932/36-El(C), dated the 20th June 1949. The Order in question is, of course, subject to the delegations made recently in Government Letters noted in the *margin, regarding connections of certain types of loads without reference to Government. It is also subject to the permission being given to you, separately, to connect sanctioned but unconnected loads of your direct consumers in accordance with the recommendation made by the Standing Advisory Committee (Electrical Power) in its meeting held on 14th April 1950 - vide paragraph 3 on page 3 of the minutes.

*No. 1932/36-El(II), dated the 1st April 1950 and 6th May 1950.

2. I am to add for your information that Government Order No. 3902/36, dated 1st October 1946 / 12th January 1949 served on you remains in force subject to the delegations mentioned above.

Yours faithfully,
Id/-
